Dear Adolfo:

I received your letter of the 26th. I am very pleased, as is the uncle, with the news you gave us.

The next time you have occasion to write me address me in the following way:

 25X1A9a

You had better do as I have told you because the last time you wrote I almost did not receive your letter. From now on you will address me only as Mr. E. Thomas. Take notice.

Well, I await your next letter.

Greetings to Mr. Ram and to our other friends.

Affectionately,

 25X1A9a
